

## **HIGHLIGHTS OF CABINET MEETING – THURSDAY 09 MARCH 2023**

**The Cabinet met today under the chairmanship of the Prime Minister, the Hon. Pravind Kumar Jugnauth. The highlights of the deliberations are as follows:**

1. Cabinet has agreed to Mauritius participating in the Carbon Offsetting and Reduction Scheme for International Aviation (CORSA), on a voluntary basis as from the year 2024. CORSA is meant to offer a harmonised way to reduce emissions from international aviation, minimising market distortion, while respecting the special circumstances and respective capabilities of Member States. Through this scheme, airlines would compensate their international flights carbon dioxide emissions on CORSA routes (route between two participating States) by purchasing carbon units. A carbon unit is a credit, equivalent to one tonne of carbon dioxide emitted which an airline would purchase to compensate for the carbon dioxide emission generated by its fleet of aircraft.
2. Cabinet has taken note that the Sir Seewoosagur Ramgoolam International Airport has been awarded the Best Airport – Africa Region 2022 for the second consecutive year by the Airports Council International. The rankings of the Airports Council International Airport Service Quality Programme (category of 2 to 5 million passengers) were released on 06 March 2023.
3. Cabinet has taken note that the 13<sup>th</sup> Session of the Mauritius-Seychelles Commission on Bilateral Cooperation would be hosted by the Ministry of Foreign Affairs and Tourism of Seychelles during the first week of April 2023. The Ministerial meeting would be held on 06 April 2023 and would be preceded by a Senior Officials meeting on 03 and 04 April 2023.
4. Cabinet has taken note that a scenario-based simulation exercise would be organised by the United Nations Office on Drugs and Crime as well as a sensitisation workshop on trafficking in persons (TIP) from 20 to 22 March 2023 at the Police Training School in Mauritius. The purpose of this exercise would be to assess the functionality of national anti-trafficking in persons legislation and gaps in national coordination and cooperation in TIP cases.

The objectives of the exercise would be to assist in strengthening criminal justice responses to TIP and would include providing advice, tools and resources to harmonise and strengthen national anti-TIP and other relevant legislation. It would also sensitise criminal justice practitioners, including law enforcement officers, prosecutors and first line responders on TIP.

5. Cabinet has taken note of the draft Roadmap submitted by the Office of the United Nations Resident Coordinator for the preparation of the new United Nations Sustainable Development Cooperation Framework for Mauritius for the period 2024 to 2028 and the hosting of the Government – United Nations Strategic Prioritisation Retreat by the Office of the United Nations Resident Coordinator on 20 and 21 March 2023 in Mauritius with a view to undertaking consultations with all relevant stakeholders.
6. Cabinet has agreed to the Ministry of Agro-Industry and Food Security hosting an International Atomic Energy Agency's (IAEA) Technical Committee Meeting on Animal and Zoonotic Diseases from 20 to 24 March 2023. The meeting would strengthen the capacities of National Veterinary Laboratories for the Early Warning, Control and Prevention of Outbreaks of Animal and Zoonotic Diseases. The objective of the Technical Meeting would be to impart capacity to some 20 participants from African Member States.

7. Cabinet has taken note that the Ministry of Agro-Industry and Food Security would organise ‘*Les Assises de l’Agriculture*’, in collaboration with the Economic Development Board, from 16 to 20 March 2023 at the Côte d’Or National Sports Complex.

The event, under the theme ‘Pathways to a Sustainable Food System for a Healthier Tomorrow’ would comprise a two-day Symposium as well as a five-day exhibition with 197 stands showcasing local agricultural produce along with demonstrations of best agricultural practices being adopted in Mauritius. A shuttle service would be provided from Port Louis and Réduit to enable the public at large to visit the sale exhibition.
